The Middleby Corporation Acquires Automatic Bar Controls, Inc.

ELGIN, Ill. (December 18, 2013) - The Middleby Corporation (NASDAQ: MIDD) today announced the acquisition of Automatic Bar Controls, Inc. (“Wunder-Bar”), a leading manufacturer of beverage dispensing systems for the foodservice industry. The innovative equipment solutions of Wunder-Bar include products used by leading restaurant chains, convenience stores, and foodservice operations for the dispensing of carbonated and non-carbonated soft drinks, iced tea and other beverages. Located in Vacaville, California, Wunder-Bar has annual revenues of approximately \$30 million.

“The beverage business is a highly profitable and fast growing category for our customers. We continue to see our customers investing in equipment solutions to expand their beverage offerings. With this acquisition, Middleby expands its presence in beverage equipment with an industry leading brand and recognized leader in innovation. Wunder-Bar brings to Middleby a portfolio of products and expertise to address our customer needs in this area of their business,” said Selim A. Bassoul, Chairman and CEO of The Middleby Corporation. “We are excited about the addition of the Wunder-Bar brand to our portfolio of innovative foodservice equipment and believe there are significant opportunities to grow this business by leveraging existing Middleby customer relationships and our strong international presence.”
