Elgin, Ill. (July 6th, 2016)- Middleby Marshall, the world leader in conveyor ovens, has been awarded the 2015 Business Partners Award from Domino's Pizza India, Ltd. Winning this award in 2015 marks the tenth consecutive year Middleby Marshall has received this honor.

“We are proud to be long standing partners with Domino's India, celebrating twenty years of partnership and 1,000 stores,” said Mark Sieron, President of Middleby Marshall. “This recognition means so much to us and all of our employees from an outstanding customer.”

Middleby Marshall has partnered with Domino's Pizza India since the first pizza store opened in New Delhi in 1996. Now, twenty years later Domino's India recently celebrated the opening of store 1,000. The milestone achieving store, opened on February 5 in New Delhi, can be attributed to the vision of franchisee JFW. Mr. Ajay Kaul, CEO of JFW, was quoted saying “There is a good reason Middleby Marshall is the recipient of this award for the 10th straight year. I think that speaks for itself in regards to the value of excellent service and support.”

Outside of the United States there are more than 5,000 Domino's stores reaching 80 international markets. India represents Domino's second largest market only behind the United States and serves as the biggest pizza brand in the country. Domino's India network accounts for six out of the top ten Domino's Pizza restaurants globally in terms of number of pizzas sold. They are also due to open about 150 stores a year in India with a goal of 1000 more stores in the next 5 years.
