

Middleby Marshall Earns Marco's Pizza "High 5 Award"

May 5, 2014 (Elgin, IL.) – Middleby Marshall has been named by Marco's Pizza as a recipient of its "High 5 Award". The award is given to vendors that meet certain criteria for five consecutive years. Those criteria include having no issues with supply, no major quality defects and 3) Proactive on-quality affecting price reductions.

"As a longstanding partner of Marco's Pizza, we are proud to receive this award," Middleby Marshall President Mark Sieron said. "Middleby Marshall values its relationship with Marco's, and we are honored to help them provide a quality product to its customers, and we look forward to doing so for years to come."

Based in Toledo, Ohio, Marco's Pizza is the fastest-growing pizza company in the United States (based on the number of stores signed into development since 2007), with more than 470 stores and 10,000 employees in 33 states.

Middleby Marshall, based in Elgin, IL., is the world leader in conveyor cooking and is known for its durability and a perfect bake every time. The WOW! Oven has received worldwide accolades for their ability to cook great tasting products consistently and 30% faster than traditional ovens. The WOW! Ovens use 30% less energy than traditional ovens with the use of the 'energy eye' that lowers power usage until a product is placed on the conveyor belt. For more information on Middleby Marshall and the WOW! Oven visit www.middleby.com/midmarsh.

Middleby Marshall is a division of The Middleby Corporation, a global leader in the foodservice equipment industry. The company develops, manufactures, markets and services a broad line of equipment used for commercial and residential food cooking, preparation and processing.
