## **3-DAY ADVANCED *WOW!* OVEN FACTORY TRAINING**

**October 13-15, 2009 Tuesday-Thursday Limited Seating**

**PURPOSE:** Educate Middleby Marshall Authorized Service Agents, and their respective Sub-Agents, on how to service our latest equipment, the WOW Ovens.

This intensive three-day no-charge training course is intended for the strongest technicians with *YEARS* of Middleby Conveyor experience. It will include a first day intensive review of all the models and current updates to the 200, 300, & 500 series.

We encourage all of our service partners to take advantage of this training program.

**LOCATION:** Middleby Marshall World Headquarters, 1400 Toastmaster Drive, Elgin, IL

**DATE & TIME:** Tuesday-Thursday, 10/13-15/2009 from 8:00 am to 5:00 pm.  
Dress is service uniform or causal, no gym shoes since we will be walking thru the plant (toe protection required).

**ALL MODELS COVERED:** Primary focus will be upon the *WOW!* Series Ovens, i.e. PS670, 770, 870, the PS640, 740, & 840, and the PS624 & 824 series ovens. Training includes intensive one day review of the Classic Line, i.e. PS200, 300, & 500 series ovens, new wiring diagrams, overlapping sequence of operations, programming features, touch screen displays, component identification, flame rectification, modulation control, trouble shooting discussion, plant tour, preview & review. Each student is expected to pass the final exam.

Each Student will receive a Technical Manual, Wiring Diagrams, Service Materials....
